**The Dalai Lama in black-and-white**

Raghu Rai’s portfolio captures the many moods of an extraordinary human being, says Shyam Saran

42-43. of an assembly of lamas in Ladakh, smoking in the imprinting rain but loping with deep reverence in the Dalai Lama preaching. On a higher note, it is hard not to smile when viewing photographs of him sharing a laugh with Archbishop Desmond Tutu of South Africa, a long-time friend, on pages 108-89. And, finally, the very first photograph in the book, which captures the Dalai Lama blowing out candles on a cake to celebrate his 60th birthday.

A GOOD OINK: THE FOURTEENTH DALAI LAMA

Author: Raghu Rai & Jain Petersburg

Pages: 112 Price: Rs 2,995

Early Years inside Tibet and The Escape: which is biography of the Dalai Lama from his early childhood to his escape into exile in India in 1959. Jain Perkins is an author and journalist who has written extensively on the lives of the Dalai Lama and Tibet. His reporting brought to life the Dalai Lama’s early years through the eyes of those nearest to him, and his latest tome is the culmination of a life-long study of the Dalai Lama’s career. The book is a comprehensive account of the Dalai Lama’s life from his early years to his 80th birthday.

The picture tells their powerful tale without words. It is a poignant reminder that the capture are brief, only locating place and time. The photographs are interwoven with deep moving testimony, the text is in black-and-white. This book has a brave and unflinching insight into the life and work of the Dalai Lama. The photographs are in black-and-white.
